Hi Misty,

The law that applies to property-based BIDs is codified in the California State Constitution, Article XIII D. Here is a link: https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=CONS&division=&title=&part=&chapter=&article=XIII%20D

I've attached the list of folks we have on contract, but since the City is not providing matching funds, you are not required to select any of those listed. There are other people who do this kind of work and who did not respond to our request for qualifications last year, such as Tara Devine and Jose Gardea, but there are likely others.

Let me know if you need anything further.

Rita

Could you send me a list of consultants that do BID renewals and do you have the Property BID Law that you could send me?
